

Merchant West Renewable Energy Finance

Merchant West is one of South Africa's largest **independently owned financial services businesses**, with operations across South Africa, Namibia, Botswana, and Mauritius. With more than 250 employees and a book exceeding R25bn, the company provides tailored finance solutions for private individuals and business owners across multiple sectors.

With **over 10 years of experience** financing more than **1,200 renewable energy projects**, Merchant West supports installations ranging from R40k to R65m. Flexible structures such as ISA and Rent-to-Own are available with finance terms of up to 7 years, risk-based pricing, and credit turnaround times of 3–5 working days, helping businesses and individuals implement energy solutions efficiently.
